Class Measure Requirements

Each Class will be responsible for conducting their own boat measurement checks. This includes the preparation and supply of all measurement check forms; provision of the measurement equipment (templates, tape measures, weighing scales, etc.); as well as measuring and signing off the measurement checks for each boat.

The activities include checking that entry forms have been completed in full; Class and SAS membership fees have been paid; recording measurement certificate numbers; checking that each boat has passed the Class regatta measurement checks; etc. The regatta treasurer will collect the regatta entry fees, but outstanding Class membership fees should be collected by the Class personnel at the registration table.

The following is a schedule of the names received to date and the other Classes are requested to forward their registration personnel names as soon as possible. With the larger Classes, two persons should be considered.
